RAMPAL

1983 KWPN Crown Stallion, Dark Bay, 17H

Rampal continues as a force to be reckoned with. His offspring dominate in jumpers, dressage, eventing and hunters. His son Ovation is owned and ridden by five-time Olympian Markus Fuchs of Switzerland. The pair won the Puissance class at Olympia in London, clearing 7'3" and again in Rome jumping 6'8". At the breed shows, Rampal offspring have also had tremendous success. His son Beaumont ISF won the Colt Reserve Championship at Dressage at Devon. Daughter Lanita, a full sister to Ovation, was Grand Champion at Dressage at Devon.

These talented sons and daughters are not surprising considering Rampal's own impressive career that included 14 Grand Prix dressage wins. Rampal is a son of G. Ramiro Z (Preferent), one of the greatest sires of all time. His dam Terika was awarded Prestatie for producing three offspring to show Grand Prix dressage, including Miss Holland who had international success. The approved stallion Riant is also from this motherline.
