## UB40

2001 KWPN Stallion, Chestnut, 16.2H

Right from the beginning UB40 has delivered on the promise he displayed as a top finisher in his stallion testing. His successful Young Horse career included a 1st Place in the 2007 USDF All Breeds Awards for FEI Six-Year-Old Dressage Horses (KWPN-NA), and qualification for the 2007 Markel/USEF National Young Horse Dressage Championships. In 2010, he won at Prix St. Georges with scores above 68%.

In 2010, UB40 also won the prestigious Get of Sire class at Dressage at Devon. He has already produced an Approved Stallion, Apache. UB40's daughter Breolita was named Reserve Champion at the KWPN Mare Championships in the Netherlands in 2008. Stateside, UB40's son El Paso ISF won the Young Horse Championship at Dressage at Devon in 2010. There have also been numerous keuring and breed show champions among his North American crops, confirming UB40's presence as a renowned sire.

UB40 is a modern type with a lot charisma and three quality gaits. He has a beautiful head with a large, expressive eye, and his neck is long and well muscled. His croup slopes nicely and he has lots of power in his movement, as well as expressive use of the front legs. UB40's offspring inherit his movement and he offers refinement for heavier, older-style mares.
