IRON SPRING FARM

RIVERMAN ISF

1998 KWPN Stallion, Bay, 16.2 H

In 2007 Iron Spring Farm welcomed the exciting KWPN stallion Riverman ISF to its collection. This handsome bay stallion has natural athletic ability and a wonderful temperament. In 2001 Riverman ISF was the Champion of the 70-day stallion test at Ermelo, and received excellent scores for movement and jumping ability. Riverman ISF has had tremendous success as a jumper and was first or second in nearly every competition in the Netherlands. In 2006 he began a dressage career at ZZ level and in February 2007 he had two wins with scores up to 68%.

Riverman ISF is a refining stallion that sires beautiful modern offspring with good movement and excellent jumping ability. His offspring have his good character and work ethic. They are smart and talented as well as being athletic—all attributes that make them very enjoyable horses to raise and train. Riverman ISF exemplifies the complete athlete with proven ability and success in dressage and show jumping in his pedigree, himself, and his offspring.
